

Pritzker Deputy Data Director

The JB Pritzker for Governor Campaign is seeking full-time deputy data director applicants for a statewide organizing program in Illinois. Deputy data directors will be responsible for, with the data director and other deputies, ensuring that programs are run in the state off of the best data possible and in the most data-driven way possible. The position reports to the Data Director.

Responsibilities include, but may not be limited to:

- Administering VoteBuilder, including answering support requests from field organizers and managing the events calendar.
- Training staff on data tools and usage.
- Creating reports on program and staff progress and production.
- Using GIS tools to create geospatial analyses.
- Working with consultants and partners to create precisely targeted voter contact universes.

Skills and Qualifications:

- Proven ability to handle multiple projects simultaneously and meet deadlines under pressure.
- One or more cycle of campaign experience preferred, especially in field or data.
- VoteBuilder experience (either as an administrator or user).
- Comfortable with Microsoft Excel.
- Previous SQL experience at any level.
- Experience with GIS programs, including QGIS.
- Ability to explain data and technical concepts to non-technical people without data backgrounds.
- Must be self-motivated and willing to work extremely long hours, including nights and weekends, in a fast-paced and high-pressure environment.

To apply please send resumes to torey@JBforILGov.com
